M'RAE RENOMINATED BY LARGE MAJORITY

Was Never a Doubt of Outcome of Governor's Race--- Leonard, Hill and the Two Fergusons Also Lead For State Offices-- Ku Klux Klan Candidates Win Throughout the State.

BUSH WINS FOR PROSECUTING ATTORNEY FRANKS WEAVER AND PARKER WIN IN COUNTY

The election throughout Nevada county passed off very quietly, and the vote was lighter than had been expected.

The sheriff's race was the most hotly contested of the county offices, and it was not known until early morning who had won.

Ep Weaver gained an early lead over his two opponents for the circuit clerk's office, which grew steadily as the returns came in.

It was very early conceded that Judge Franks had won by a big ma-

Little Rock, Aug. 9.—Though returns from the Arkansas primary of yesterday were slow in coming in, Gov. T. C. McRae early last night had a good lead over Judge E. Pink Toney of Lake Viylage, and his renomination for the governorship seemed assured. The governor's best showing in the early returns was in Miller county, where Texarkana reported him having a lead of 15 to one.

Mississippi and Hempstead reported for McRae and Jefferson seemed to be falling into the Toney column, though by a slight majority in four precincts out of 27.

In the race for state treasurer, Ferguson had a slight lead over Allen and Walls.

Leonard is leading Wilson for highway commissioner.

The race between Hill and Cubage for superintendent of public instruction is close.

Jim Ferguson is leading for commissioner of agriculture.

Total Vote Around 150,000.

One hour after the polls closed it was estimated that approximately 165,000 men and women participated in the election. In Pulaski county (Little Rock), the total vote will exceed 12,000, which is in the neighborhood

of 3,000 more than was polled two years ago when Senator T. H. Caraway and Gov. McRae were nominated.

For an off-year in Arkansas politics this vote is unprecedented and is due principally if not alone to the activities of the Ku Klux Klan organization in local contests in about 40 counties of the state.

In Pulaski county the klan was the only issue and the lines between the klan faction and anti-klan were drawn almost to a man. The bitterest contests throughout the state were waged in the race for governor, state highway commissioner, state treasurer and commissioner of agriculture. These, with one exception, were practically all contests for state offices, and the friends of each of the candidates were untiring in their efforts to secure the nomination for their man. The contest for state superintendent of public instruction attracted much interest throughout the state.

The candidates were A. B. Hill of Little Rock and Granville Cubage of El Dorado. The absorbing interest in Little Rock was the contest for county officers between the Ku Klux Klan and the regular Democratic organiza-

GOVERNOR T. C. McRAE

...jority, also E. M. Wootley for representative and Carl Mann for senate steadily increased an early lead

Reports from over the district indicate that Dexter Bush has been elected prosecuting attorney over Judge G. R. Haynie. Mr. Bush carried Nevada, Clark and Lafayette counties on the face of early returns, while Judge Haynie carried Hempstead and Miller counties.

Latest reports indicate that Governor McRae is steadily increasing his lead over Judge Toney and that his vote will be about 3 to 1.

Latest figures on the race for superintendent of public instruction give Hill 53,001 and Cubage 38,215.

At the time of going to press all the precincts in Nevada county had been heard from except Falcon and Leake, the returns from which could not change the result.

C. E. Johnson of Ashdown, has been elected chancellor for this district by a good majority over M. E. Sanderson of Texarkana.

Latest figures obtainable on the race for prosecuting attorney from the district gives Bush a lead of about 750 votes. Reports from Lafayette county give Bush a lead of about 100 votes.

The vote for constable was as follows:

| Name | Court H. | Scott H. | Total |
|------------|----------|----------|-------|
| Horne | 130 | 76 | 206 |
| Caruthers | 82 | 92 | 174 |
| Willingham | 111 | 114 | 225 |
| Barham | 61 | 70 | 131 |

TRAINING SCHOOL FOR SUNDAY SCHOOL WORKERS

A Standard Training School for Sunday School Workers will be held in the Methodist church at Prescott beginning Sunday evening, Sept. 3, and closing Friday evening, Sept. 8th.

The school will be under the general direction of Rev. Clem Baker of Little Rock, who is the Sunday School Field Secretary for the Little Rock Conference of the Methodist church. He will be assisted by an able faculty of trained specialists. They are, Prof. W. A. Smart of Emory University, Atlanta, Ga.; Mrs. Byron Harwell of Lamar, Ark.; Mrs. C. E. Smith of Little Rock, and Mrs. L. A. Smith of Sherrill, Ark. The sessions of the school will be held each evening from 7 to 9 o'clock and will be divided into three general periods of 45 minutes each.

The first and last periods will be devoted to class work in the various departments and the middle period will be devoted to a general lecture by Prof. Smart. The lecture period will be open to the general public.

Each Sunday school in the district is urged to send one representative to this school. Pastoral charges having only one Sunday school will be allowed three representatives. Unlimited representation will be allowed to those schools whose delegates provide their own entertainment, but free entertainment will be provided by the people of Prescott in their homes for the number first mentioned above.

Sunday schools of all denominations are cordially invited to send representatives but the people of Prescott can only promise entertainment to the regular delegates as outlined above. The local Sunday schools are especially invited to take part in the school as the work done in this school will be recognized by the Teacher Training Department of your own church.

In addition to the regular delegates mentioned above, each pastor in the Prescott district is also expected to attend the school and will be given entertainment.

All persons who expect to be entertained should notify Rev. J. A. Sage, Prescott, as soon as possible.
